## Check-in / Disc Hire

Welcome to our pay-to-play disc golf course!

Before starting your round, please check in at the campsite reception and collect a hire disc and scorecard if needed. If you have prepaid online and have brought your own discs, keep your booking confirmation handy in case it's requested during your round. Please note that these woods are privately owned, and we regularly monitor them along with payment compliance. If you have not paid before your round, you'll be kindly asked to leave. For those who have hired a disc, simply drop it off in the designated 'Drop off Box' located at either hole 9 or 18 after completing your round - no need to return it to reception.

## What is Disc Golf?

The object of the game is to complete each hole in the fewest number of throws, starting from a tee area and finishing with the disc coming to rest in the basket. Generally, a course is made up of 9 or 18 holes. Players start at hole one and complete the course in order, playing through to the last hole. The player with the lowest total cumulative throws wins.

## How to play Disc Golf?

Take turns to throw your disc from the tee towards the basket. Throw again from where it is lying on the ground. Keep throwing until your disc is in the basket! Your score for the hole is your number of throws. The person with the lowest number of throws over the 9 or 18 holes wins.

## PLAY SAFE!

Do not run ahead of anyone who needs to throw.  
Do not throw if someone is in front of you.
